HUZIAH M YUSOF ★★★★★

Alhamdulillah, a heartfelt thank you to At Tartil Qur'an Institute. As a student of 2024 Belajar Qur'an Untuk Mengajar Keluarga, QLME 20 and PICGAS 4 my learning journey has been one of ease, clarity, and spiritual growth – all thanks to the mercy of Allah and the incredible team leading this institute.

I am deeply grateful to the dedicated teachers and facilitators whose sincerity, patience, and passion for Qur'anic teaching shine through in every class. Their guidance not only enhances our tajweed and recitation, but also instills a love for the Qur'an that carries into our daily lives.

The structured and well-organised programme – complete with clear syllabi, consistent practice, assessments, and motivational check-ins – reflects the institute's commitment to excellence and holistic learning.

At Tartil isn't just a place to learn; it's a nurturing space to grow in deen, supported by a community that truly wants the best for each learner.

Jazakumullahu khayran to everyone at At Tartil Qur'an Institute. May Allah reward all your efforts and continue to bless this important work.

SITI NOORBAYA RAHMAT ★★★★★

Alhamdulillah, I cannot thank Allah enough for His guidance. He has chosen me to join QLME 15 and it is Him who pulls me through from all the struggles as a student who has zero knowledge of the Arabic words.

The 3.5 years has been a meaningful journey for me. It wasn't easy and very often I feel like giving up. However, Ustaz Zulkiflee Bachik always reiterated that knowledge and understanding is from Allah and urged us to continuously make doa.

If I ever quit halfway I would never be more aware of the surahs in the quran except for Yaseen. I would not be able to understand Allah's sacred words (the what, why and how Allah writes it) and I would not be exposed to the important reminders of the Qur'an.

I am forever grateful to be a student of Attartil Qi. I am blessed to be under the tutelage of Ustaz Zulkiflee Bachik and his team. I pray to Allah to keep Ustaz n his team in good health. May Allah ease AtTartil's journey in educating us Muslims to be Qur'an literate. May we be able to live our life by the Qur'an. Aamiin.
